

Office Memorandum • UNITED STATES GOVERNMENT

TO : Assistant Director, ORE

DATE: 10 March 1948

FROM : Chief, ICAPS

SUBJECT: ORE Publications - Coordination of

1. We have noted in your recent publications (ORE 6-48 and SR-26) that at the bottom of page one you refer to the fact that this information was circulated to the IAC Agencies for comment (in one case using an unknown title for the initials "IAC").

2. The note at the bottom of the first page then continues that certain Departments have concurred and others have not concurred, or have made special comments.

3. I would suggest that the IAC reference in this note be omitted because under the National Security Act of 1947 and NSCID No. 1, the Director of Central Intelligence has this Advisory Committee, some members of which are specified in NSCID 1 and other members of which sit in special meetings. Furthermore, the Joint Intelligence Group and the Atomic Energy Commission are now members of the IAC. I assume that none of your papers are coordinated with those two organizations, but only with State, Army, Navy, and Air Forces.
